Re: **Joseph L. Curry v. Dover Police Department and Gregory Hopkins**
 Our File No.: 19180-01660
 C.A. No.: 04-175-KAJ
 DOL: 01/13/04

Dear Judge Jordan:

Please accept this correspondence as a supplement to yesterday's letter from co-defense counsel, William Pepper, Esquire and as an Interim Status Report consistent with the November 18, 2004 Scheduling Order. As Mr. Pepper represented, our Dispositive Motion remains pending and the reference of this matter to the United States Magistrate did not resolve this case.

By way of an update with respect to discovery, we have provided Mr. Curry with our Rule 26 Disclosures (consisting of all of the records and reports concerning plaintiff's arrest and incarceration in our possession as well as all of plaintiff's medical records in our possession), prepared and forwarded responses to plaintiff's discovery and requests and scheduled the deposition of the plaintiff for May 5, 2005. Conversely, we have received neither Rule 26 Disclosures nor any other items of discovery from Mr. Curry. The Court may recall that Mr. Curry represented at the inception of this case that he was having some difficulty gathering the records concerning his treatment at the correctional center. Mr. Curry has also sought the appointment of an attorney to act on his behalf.

We would be happy to address any of these issues with Your Honor at the upcoming April 13, 2005 status teleconference.

Respectfully submitted,

Daniel A. Griffith
